

The town council resigns the subsidy

Sunday, 20 February 2011 11:08

Our town council has resigned a subsidy of 40.000 Euros to arrange the park of Put do On Porco, so we will continue with a park without conditioning totally. As us sources of the town council comment it owes to that they are negotiating that grants to them the complete help, which is of approximately 90.000 Euros.
