

**Por unha Ponte do Porco do
século XXI**

Last **December 10 at 8 p.m.** we were got by the mayor, D. Juan Antonio Maceiras and the councilmen D. Jesus Veiga y D. Antonio Bernardo. To the meeting we come with a dossier of photos, which we sense beforehand to show them the state of our village. In addition we were speaking with them about certain improvements that seem to us to be interesting.

Summarizing very rapidly the most important questions, at the beginning of next year will asphalt the street of the beach and will extend the park.

If you want to see our dossier of photos and the conclusions to which we have come after our conversation you can read [this document](#) .
